

PUBLIC NOTICE
 City of Tallahassee Department of Housing and Community Resilience
 FY 2025-2029 HUD Consolidated Plan and First Year Annual Action Plan
 Proposed Use of Funds

As an entitlement grantee of the Department of Housing and Urban Development (HUD), every five years the City of Tallahassee prepares a Consolidated Plan as a condition of receiving federal Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and HOME Investment Partnerships (HOME) funding from HUD. The Consolidated Plan is carried out via (5) One-Year Action Plans which serve as the City's annual funding applications to HUD. While the State Housing Initiatives Partnership (SHIP) funds are not subject to federal regulations, they are leveraged when allocating federal funding. Based on a thorough analysis of market conditions and available resources, the Consolidated and Action plans identify and prioritize community and economic development needs; describe place-based strategies to address high-priority housing, human services, infrastructure, neighborhood revitalization, and homelessness needs; and establish accomplishment goals in these areas. *The award amounts below are conditional and may change based on final award notifications from HUD or the State of Florida and are in addition to awards from previous years and program income.
